

WIN 1 OF 10 BIRD & WILD BLENDS

Bird & Wild coffee is Fairtrade, Organic, Bird Friendly and Shade Grown. As the RSPB's official coffee, 6% of all sales are donated back to them to help them to protect wildlife, restore our woodlands and build a future where we live in harmony with nature. Available in two delicious flavours, the Seasonal Blend is medium roasted to perfection for a smooth coffee with dark chocolate tones, balanced acidity and bright floral aromas.

The medium dark Espresso Blend is expertly roasted to produce a well-balanced tang of cocoa and fruit within a dark, creamy body that makes it ideal for espresso and milky drinks. £4.99 www.birdandwild.co.uk
